Wasi Cross Country Ski Club Trail Map

We offer 43 km of classically groomed single and 7.5 km of double tracked trail to meet the needs of skiers from novice through advanced. Our club does not offer racing activities, leaving the trails open for recreational classic cross-country skiing at all times. We also offer 8.5 km of snowshoe trails wandering through forests and skirting ponds to our warm up hut shared with the ski trails.

For more info, call Kerry at 705-752-4215
